**Bakersfield College Official Transcript Legend, 1801 Panorama Drive, Bakersfield, CA 93305**

Bakersfield College is a two-year community college regionally accredited by the Western Association of Schools and Colleges. The College operates on a semester calendar of 18 weeks until August 2002. From that date the College operates on a 16-week semester, length of summer semester varies. One unit of credit represents 18 hours of lecture or 54 hours of laboratory work.

Beginning with the Fall Semester 1987, Bakersfield College implemented an online-computer generated transcript system, however, existing student records were not converted to the new system. Therefore, transcripts of course work completed prior to Fall 1987 will be reproduced in a different format on a separate sheet. All grades are final and are not subject to change except as outlined within the California Education Code. Proficiency: Students must meet learning skills requirements before a certificate, Associate degree, and/or Bachelor's degree will be granted. Bakersfield College offers upper-division courses. Please see the college catalog for more details. Campus Designator: "B" in front of the course title signifies a Bakersfield College course.

**Academic Record Symbols and Grade Point Average:** (California Administrative Code, Title V, et.seq.) Grades from the grading scale shall be average based on the equivalencies to determine a student's grade point average listing using only the following symbols:
